Frosty the Snowman was a jolly happy soul
With a corncob pipe and a button nose
And his eyes made out of coal
Frosty the Snowman made the children laugh and play
And were they surprised when before their eyes
He came to life that day

There must have been some magic
In that old silk they found
For when they placed it on his head
He began to dance around
Oh, Frosty the snowman, was alive as he could be
And the children say he could laugh and play
Just the same as you and me

Frosty the Snowman, knew the sun was hot that day
So he said, "Let's run and we'll have some fun
Now before I melt away"
Down to the village with a broom stick in his hand
Running here and there, all around the square
Saying, "Catch me if you can"

He led them down the streets of town, right to a traffic
cop
He only paused a moment
When he heard them holler, "Stop!"
For Frosty the Snowman, had to hurry on his way
But he waved goodbye, saying, "Don't you cry
I'll be back again some day"

There must have been some magic
In that old silk they found
For when they placed it on his head
He began to dance around
Oh, Frosty the Snowman, was alive as he could be
And the children say he could laugh and play
Just the same as you and me

Thumpety thump, thumpety thump
Look at Frosty go
Thumpety thump, thumpety thump
Over the hills of snow
