(Kim Williams/Clay Walker/Kent Blazey)

The sun's reflecting off the city limit sign  
I better keep moving before I change my mind  
Lookin' in the rearview mirror  
Comin' home didn't make it clearer  
I didn't wanna hear her say goodbye

Heartache Highway why didn't I say  
What she wanted to hear  
Why must the most important words go unspoken  
Heartache Highway now it's too late  
To ever change her mind  
Oh it's a hell of a road  
When you're leavin' heaven behind

Memories of her dance in my headlights  
As I'm ridin' my pain into the night  
Headin' for the next horizon  
Watchin' the full moon risin'  
Gotta keep on drivin' goin' nowhere..on this

Heartache Highway why didn't I say  
What she wanted to hear  
Why must the most important words go unspoken  
Heartache Highway now it's too late  
To ever change her mind  
Oh it's a hell of a road  
When you're leavin' heaven behind  
Oh it's a hell of a road  
When you're leavin' heaven behind
