(Philip Douglas/James Yeary/Ron Harbin)

Yeah here she comes  
Two hours late  
But that girl's always  
Worth the wait  
And I love it  
She's got a tie-dyed shirt on  
Wrong side out  
But she makes left of center  
Seem right somehow  
And I love it  
She's got a way  
Of being nonchalant  
Kind quirky  
Everything I'm not

She's so unordinary  
So unpredictable it's scary  
I think I got more than  
What I bragged for  
But I keep coming back  
For more of it  
'Cause I love it

She's got her two tattoos  
One on her back  
And I ain't saying  
Where the other one's at  
Ooh I love it  
She don't own a dress  
But she's a beauty queen  
Taking glamour shots  
In cut-off jeans  
And I love it  
But if there's one thing  
That I love the most  
It's how she does exactly  
What I think she won't

She's so unordinary  
So unpredictable it's scary

I think I got more than  
What I bragained for  
But I keep coming back  
For more of it  
'Cause I love it

That girl's so unordinary  
So unpredictable it's scary  
I think I got more than  
What I bragained for  
But I keep coming back  
For more of it  
'Cause I love it
