Met a little senorita named Margarita down in Mexico
She taught me more about love in a day or two than I'll
ever know

I had to go back across the Rio Grande
And leave that little girl behind
I can't believe how heavy she's laying on my mind

Oh tonight I need a Margarita and I need it bad
I'm hoping that the tequila is gonna take me back
Give me the salt and the lime
So I can taste her and hold her one last time
Oh tonight I need a Margarita and I need her bad

Those eyes and that smile they drove me while, I just
couldn't resist
I couldn't get enough from our first touch to our last
kiss
I never understood a single word she said
Oh but she left no doubt
When she spoke to me in the language of love
She turned my world inside out

Oh tonight I need a Margarita and I need it bad
I'm hoping that the tequila is gonna take me back
Give me the salt and the lime
So I can taste her and hold her one last time
Oh tonight I need a Margarita and I need her bad
