(Gary Nicholson/Allen Shamblin)

I'm gonna live, laugh, love just for today  
Gonna take all the trouble that tomorrow might bring  
and put it away  
Gonna drink every drop of happiness  
'Til they cover me up  
I'm gonna live, gonna laugh, gonna love

I got a buddy that wakes up worrin' about stocks and  
bonds  
He's up and he's down and he only smiles  
When the markets strong  
I spend my whole week wages  
At the dance on Saturday night  
I won't never grow a portfolio  
But hey that's alright

I'm gonna live, laugh, love just for today  
Gonna take all the trouble that tomorrow might bring  
and put it away  
Gonna drink every drop of happiness  
'Til they cover me up  
I'm gonna live, gonna laugh, gonna love

I got a cabin in the country and the tin roof rattles  
When the rain comes down  
Where the wind through the pine helps me unwind  
While the world goes 'round  
I got a woman that fills my heart so full  
That it overflows  
And how it gets any better than this  
Brother I don't know

I'm gonna live, laugh, love just for today  
Gonna take all the trouble that tomorrow might bring  
and put it away  
Gonna drink every drop of happiness  
'Til they cover me up  
I'm gonna live, gonna laugh, gonna love

I'm gonna live, laugh, love just for today

Gonna take all the trouble and put it away  
Gonna drink every drop of happiness  
'Til they cover me up  
I'm gonna live, gonna laugh, gonna love

I'm gonna live, laugh, love just for today  
Gonna take all the trouble that tomorrow might bring  
and put it away  
Gonna drink every drop of happiness  
'Til they cover me up  
I'm gonna live, gonna laugh, gonna love

I'm gonna live, gonna laugh, gonna love
