Skippin' rocks, skippin' rope  
Laughin' at all my best friends jokes  
Things I loved when I was a kid

Muddy roads, muddy feet  
I didn't live on no blacktop street  
Things have changed a lot but I never did

And I don't wanna think about tomorrow  
I don't need anything money can buy  
I don't have to beg, steal or borrow  
I just wanna live until I die

Livin' right, livin' in this  
Little old town I grew up in  
But I still held on to my dreams

Standin' proud, standin' tall  
Standin' smack dab in the middle of it all  
I don't worry about things that I can't change

And I don't wanna think about tomorrow  
I don't need anything money can buy  
I don't have to beg, steal or borrow  
I just wanna live until I die

And everything around me  
Are things I dearly love  
And every night I get on my knees  
And thank the Lord above

And I don't have to think about tomorrow  
I don't need anything money can buy  
I don't have to beg, steal or borrow  
I just wanna live until I die  
I don't have to beg, steal or borrow  
I just wanna live until I die
