Bells will be ringing the glad, glad news
Oh, what a Christmas to have the blues
My baby's gone, I have no friends
To wish me greetings once again

Cries will be singing Silent Night
Christmas carols by candlelight
Please come home for Christmas
Please come home for Christmas
If not for Christmas by New Years night

Friends and relations send salutations
Sure as the stars shine above
But this is Christmas, Christmas my dear
The time of year to be with the one you love

Then won't you please tell me, you'll never more roam
Christmas and New Year will find you home
There'll be no more sorrow, no grief and pain
Because it's Christmas, Christmas once again

Friends and relations send salutations
Sure as the stars shine above
Oh, this is Christmas, Christmas my dear
The time of year to be with the one you love

Oh, then won't you please tell me, you'll never more
roam
Christmas and New Year will find you home
There'll be no more sorrow, no grief and pain
Because it's Christmas, Christmas once again
Oh, it'll be Christmas once again
