Grind Bastard - return of the weapon of war  
Discharge my stigma  
Now I'm back to even the score  
Bastard - was condemned through dignity  
Mark my soul eternal  
Abasing physically

Reduce your will coz I am the Grind Bastard  
Fight the world with the strength within  
Arise - I am the bastard, I shall win  
Debased - revenge on those two faced  
Derise - censure guilty I decry.....Opress  
Consume - eat your words and siffer  
Degrade - humiliate no other  
Erode away your futile will  
Harass you with exaction  
Memorise my calling  
I am the bastard, I am the bastard  
Though the mills of god grind on....  
....they grind so small  
A lesson never learned  
The bastards never fall

Grind bastard - Rage away 'til teh battle is won  
Vex you in your torment  
No remorse, grinding on  
Bastard - Understand now your life is mine  
Dispensing my anger  
Flesh is meat, blood is wine  
In pain - A world to bthe in sorrow  
Grimace - At the Inquisition's horror.....Confess  
Intrude - Break the train of your thought  
Enrage - Butchered now lie war torn  
My principles are to die for

Your end arriving faster  
Demonize  
I am the bastard, I am the end  
Never find distraction  
Grinding on reaction  
Pain in vain - to retain  
The bittersweet one

Rage away in torment  
The old ways lie dormant  
Your life's mind - Yet sublime  
This terror brought from.....Bastard  
My needful lust is to direct your fate  
Spiteful anger to reciprocate  
Obsolete and yet I'm breathing still  
Longevity my burden - Immortal kill  
Gratitude in my revenge  
Accept the fact  
Your suffering is all  
My vengeance never lacked  
What my vengeance never lacked  
Share my pleasure - feel my pain  
Rational thoughts of a man insane  
Septic ways to get me high  
Jacking up to watch you die  
I'm jacking up to watch you die  
I see your torment and anxiety  
Recognition of my dignity  
There's no survivors  
There's no regrets  
Nothing more for you to beg...  
...except a painless death  
Betrayers fear my name  
Bastard prophecy  
Immortal, I am bound  
My eternity
