Take me please  
Make me see  
Shake the foundation  
Quake in consternation

Free my mind  
Return in kind  
Like a phoenix I shall raise the fallen  
Valkyrie come bear me to the sun

And I shall shift the paradigm  
Ensure that victory is mine  
My paradise is not yet lost  
I bear my soul, you bear the cost

Is free  
I fight, I believe  
In manifestation  
Of my spirit's incarnation

And I shall shift the paradigm  
Ensure that victory is mine  
My paradise is not yet lost  
I bear my soul, you pay the cost

Valkyrie bear me away

Valkyrie shall bear my pall  
See the mystery in all  
Feel the wisdom in my pain  
Knowing I shall rise again  
[Repeat]

Valkyrie bear me away  
Valkyrie bear me away  
Valkyrie bear me away
