(VERSE 1)

Leaning over, he said hold on tight
She was trying, but was sucked by the tide
Knowing she was slipping, He looked right at her
Flowing with tears, As she waved her last words

(Pre-Chorus)

Faded with color, but still worn with pride
You march alone, feeling hollow inside
Nowhere to run, In this frozen demise
Continually Shattered, with no reason why

(Chorus)

Walk with your head up, Walk with it straight
The Lord the knows, The lord know what happened that
day
Loved ones are gone, Hearts felt so wronged, No bed
to lay your head upon
But there's still a cause to dance, because God saved
you for a reason

(Verse 2)

Daddy if your out there, Please come to me
The young girl sobbed as she was on TV
He's my only love, See I have no one else

To give my hand away, and walk me down the isle.

(Pre-Chorus)

Faded with color, but still worn with pride
You march alone, feeling hollow inside
Nowhere to run, In this frozen demise
Continually Shattered, with no reason why

(Chorus)

Walk with your head up, Walk with it straight
The Lord knows The lord know what happened that day
Loved ones are gone, Hearts felt so wronged, No bed
to lay your head upon
But there's still a cause to dance, because God saved
you for a reason

(Bridge)

(Chorus)

Walk with your head up, Walk with it straight
The Lord knows The lord know what happened that day
Loved ones are gone, Hearts felt so wronged, No bed
to lay your head upon
But there's still a cause to dance, because God saved
you for a reason
