Let it play the song of the joy
Now my darling be my precious
Let it play the song of the joy
Now my darling be my precious

Keep me under pressure
It's alright
Fade me to your nation
It's so fine

All I ever asked was matter of time
Would you risk your soul
All I ever asked was a place to stay
Have no else to find

But it's so round round round
Just matter of time now
Keep on swinging keep on dreaming
Round round round
Thousand pieces of joy now
Keep on smiling keep on dreaming

Your imagination seems so fine
Floating in your nation it's so right

All I ever asked was matter of time
Would you feel my soul
All I ever asked was a place to hide
Have no else to go

But it's so round round round
Just matter of time now
Keep on swinging keep on dreaming
Round round round
Deeply to your soul now
I wanna get you all you are the reason why I sing now

And I feel so fine
Because you make me so smile
Won't you be my love
And come a little closer
Let me feel your heart

Because you make me so fine
Won't you be my love
Won't you be my love

It's alright
It's alright
It's alright
It's alright
