He is big, yet a likable man  
He is strong, and only kill bads

In this kingdom, full of the innocents  
He is the one to save our home from the Neverlands

He is called a gentle giant  
He is known, a courageous man  
In this kingdom, full of the innocents  
He is the one to save our home from the Neverlands

Welcome him to kingdom  
Let the lights be shining  
Before sky is falling  
Will he be happy?

This is the time, that we gather around  
To see him for real  
Down on our knees, to greet him now  
Oh you gentle giant, our courageous man  
Take things and fight so we never do

The house he lives, is painted in gold  
The horse he rides, can fly like a bird

In this kingdom, full of the innocents  
He is the one to save our home from the Neverlands

Welcome him to kingdom  
Let the lights be shining  
Before sky is falling  
Will he be happy?

This is the time, that we gather around  
To see him for real  
Down on our knees, to greet him now  
Oh you gentle giant, our courageous man  
Take things and fight so we never do

This is the time, that we see him for real  
The Gentle Giant  
You mighty man to keep us away

From harm and fearful Neverlanders  
Take things and fight so we never do

(Is that it?)  
We are not the same as you  
(Bring me some wine)  
We are not the same as you  
( 'Cause I'm the Gentle Giant)  
Nothings ever good enough  
(Ha Ha Ha)  
Nothings ever good enough

This is the time, that we gather around  
To see him for real  
Down on our knees, to greet him now  
Oh you gentle giant, our courageous man  
Take things and fight so

This is the time, that we see him for real  
The Gentle Giant  
You mighty man to keep us away  
From harm and fearful Neverlanders  
Take things and fight so we never do
