What you doin', I wanna know
Where you goin', I'll follow
What you playin', I like the game
And I'm good at many things (yeah)
You know your lips, they're sugar sweet
And you're sexy, it speaks to me
I like your eyes, they look at me
I wanna keep it that way (yeah)

Every girl wants a guy like you
Every girl wants a dream come true
You're so fine
You're so fine and you're mine

[Spoken]

Do you know your lips are sugar sweet
Especially when they're kissing me
Am I awake is this a dream
A guy like you with a girl like me
Others wish, in wishing wells
You're hypnotised with a spell
I lie awake and think of you
Of all the things I'd like to do

Maybe forever, maybe tonight
It doesn't matter if it's right
I can't hardly help myself
And I share with no one else (no)
Well you say maybe we're meant to be
You pull me close as close can be
Now tell me baby, is it me
Or is it getting hot in here (yeah)

Every girl wants a guy like you
Every girl wants a dream come true
You're so fine
You're so fine and you're mine

Every girl wants a guy like you
Every girl wants a dream come true
You're so fine

You're so fine and you're mine

Every girl wants a guy like you
Every girl wants a dream come true
You're so fine
You're so fine and you're mine

Every girl wants a guy like you
Every girl wants a dream come true
You're so fine
You're so fine and you're mine
