Presenting to others  
If you don't know  
You better ask somebody  
It's Emma  
AimÃ©e  
Lynsey, that's me  
And we're CLEA  
Yeah  
Here we go!

What you wanna say  
Where you wanna go  
We're here to pump it up  
So DJ let us see ya flow, oh  
Oh oh  
Say oh  
Oh oh (come on)  
What you wanna say  
Where you wanna go  
We're here to pump it up  
And take you to the Clea show

Hey girls, look at him over there  
Checkin' me out with his crazy eyes stare  
Listen up yeah, another's comin' my way  
When we can't decide you know the game we play

Hey girls, let's do it  
Let's take it to the floor and move it  
Wanna pick it up, drop it, you just can't stop it  
You've got me feelin' like I gotta go pop it (come on! )

If ya think it's easier  
Start from the top  
Eanie meanie minie mo  
Catch the one that you want

Or just work what you've got  
Eanie meanie minie mo

Hey boy, you wanna slide over here  
Move real close got nothing to fear  
Listen up yeah, I've got something to say  
Someone like you I don't meet every day

Come on boy, let's do it
