I am the child  
Trying to learn how to forgive  
Don't wanna miss out  
On the dream I'm to live

You're the believer  
Trying to undo what has been done  
We are together  
We're the birds trying to fly  
Gotta try one more time

Every moment you better show it  
Cause I'm gonna give you one more try  
My heart says I have to and deep down I want to  
So I'm gonna give you one more try

Da da da da gonna give, gonna give you one more try  
Da da da da (da da da da)

I'm holding the candle  
And I'm waiting to feel that spark again  
Your eternal fire has survived in the wind  
Now that I'm giving in

Every moment you better show it  
Cause I'm gonna give you one more try  
My heart says I have to and deep down I want to  
So I'm gonna give you one more try

Da da da da gonna give, gonna give you one more try  
Da da da da (da da da da)

We're the birds trying to fly  
Gotta try one more time  
And if I forgive you  
If I forgive and you don't forget  
It means it's not over yet

Every moment you better show it  
Cause I'm gonna give you one more try  
My heart says I have to and deep down I want to

So I'm gonna give you one more try

Every moment you better show it  
Cause I'm gonna give you one more try  
My heart says I have to and deep down I want to  
So I'm gonna give you one more try
