Not a word, from your lips  
You just took for granted that I want to skinny dip  
A quick hit, that's your game  
But I'm not a piece of meat, stimulate my brain  
Night is young, so are we  
Let's get to know each other better, slow and easily  
Take my hand, let's hit the floor  
Shake our bodies to the music  
Maybe then you'll score

So come on baby, won't you show some class  
Why you want to move so fast

We don't have to take our clothes off  
Just to have a good time  
Oh no  
We could dance and party all night  
And drink some cherry wine  
Uh huh  
We don't have to take our clothes off  
Just to have a good time  
Oh no  
We could dance and party all night  
And drink some cherry wine  
Uh huh

Na na na na na na....

Just slow down if you want me  
A woman wants to be approached  
Cool and romantically  
I've got needs just like you  
If the conversation's good  
Vibrations through and through

So come on baby, won't you show some class  
Why you want to move so fast

We don't have to take our clothes off  
Just to have a good time  
Oh no

We could dance and party all night  
And drink some cherry wine  
Uh huh

So come on baby, won't you show some class  
Why you want to move so fast

We don't have to take our clothes off  
Just to have a good time

Oh no

We could dance and party all night  
And drink some cherry wine

Uh huh

We don't have to take our clothes off  
Just to have a good time

Oh no

We could dance and party all night  
And drink some cherry wine

Uh huh

Na na na na na na na...
