May I have your attention please?
May I have your attention please?
Will that bitch Slim Shady please shut up?
I repeat, will that bitch Slim Shady please shut up?
We're gonna have a problem here

Y'all act like ya never heard a white person before,
Rhymes are poor, 14 minutes are up, so I got one
more,
I had to come back, and now I'm worse than before,
I make you snore, cause my tired song is boring you
It's the return of the... oh wait, hold on, don't try that,
Ya heard what he sounds like, ya really gonna buy
that?
And Dr. Dre does... everything you idiot!
How would I sound if Dre didn't lay the beats down?

The world has had enough,
Eminem sounding like a 12 year-old girl on helium,
Look at him! Walking around trying to kiss Dre's ass,
Trying to impress you. "He's so weak, though."
I put Christina on blast on my new CD,
cause I tried to hit on her and she rejected me,
Sometimes I wanna jump on the stage and just let
loose,
But I can't cause I sound like the squirrel on Bulwinkle
the Moose

This song gets your nerves, this song gets on your
nerves,
I know I'm lucky cause I got more fame than I deserve,
And that's the message that I try to give to little kids,
You can be famous and never know what talent is
Of course they're gonna like me, cause I'm like a
cartoon
version of Ricky Schroeder when he was on 'Silver
Spoons'

I ain't nothin' but a product, packaged to be bought up,
You know a year from now I won't be thought of,
But I write about dead animals and cannibals,

cause that'll shock people and sell records... man, I
hope
So if I can be ridiculous and talent less,
I guess no one is hopeless, look how bad this song is!

I'm Slim Shady, and yes, I'm real grating,
I talk like Peter Brady, and it's irritating,
I know you're saying Slim Shady please shut up,
please shut up, please shut up

I'm Slim Shady, and yes, I'm real grating,
I talk like Peter Brady, and it's irritating,
I know you're saying Slim Shady please shut up,
please shut up, please shut up
