The finest guy (rpt)  
I ever saw (rpt)  
Was sippin' scotch (rpt)  
Scotch on the rocks (rpt)  
The finest guy I ever saw, was sippin' scotch on the  
rocks  
First cheek to cheek (rpt)  
He'd swish it 'round (rpt)  
He'd drank that scotch (rpt)  
Without a frown (rpt)  
First cheek to cheek he'd swish it 'round, he drank that  
scotch without  
A frown  
He put his hand (rpt)  
Rite on my hip (rpt)  
And then he took (rpt)  
Another sip (rpt)  
He put his hand rite on my hip, and then he took  
another sip  
That's all there is (rpt)  
There ain't no more (rpt)  
That boy got drunk (rpt)  
And hit the floor (rpt)  
That's all there is there ain't no more, that boy got  
drunk and hit the  
Floor
