"AL-RYGH T U BAG UV BONES,
I TIRED UV PLAYIN WITH U,
I WILL TEAR U LIMB FRUM LIMB WITH BEARHANDS,
I AWAIT U,
CUM 2 ME U COWARD!!!"

I pull out pain like rain u knoe im still da same
im not feelin like Novocain wuz shot n mi brain
c weak MC's dont move me datz y itz e-z
4 me ta stand still whyle u drill 'causeza greezy
'cause mi flo's gatcha sea sick im rocin diz shit
u sinkin quick fasta dan da titanic
make no mistake ya avisly faker dan fake
i skalp ya ass witta fork and skin ya ass witta rake
blend up ur entestans and drink'em wit gin
chop up ur remainder body parts off ta feed ur children
i cutcha dick off but c i gotta finish da crime
i findja wife so she kan eatcha dick 1 last time
c i felt on mi ran datchu planed ta n-gan
datz not an earfquake i jus crakked da groun where i
stand
i gatchu shiverin like a naked eskamo
i gatchu shaken like da handz uv people sayin hello
cum'mere let me introduce u ta mi friend
first name MIC last name ROPHONE now u've metcha
end
once again i struck harda den da average man n battlin
constantly criplin wack MC's wit mi pen
farous flo ovoidose u need ta tuffin up thug
i only spit part uv mi verse and now u coffin up blood
c diz iz reel HipHop i luvit til da death uv me
dispertly u tryin da bakk out uv battlin me
itz 2late meetcha fate c da game wont wait
i guess i riptcha style off da wrong MC's plate
b a parapaletic aftah testin mi flo
i letcha legz & armz go now ur a human torso
u want a piece uv diz ordah it shiftin iz free
and itta awaze arive wit prosice delivery
