Hearts been broken words been spoken it's nothin' new
to me
I've been cryin' and i've been lyin' to everyone I see
But what's a girl supposed to do
When she's savin' all her heart for a boy like you
Don't know who it would be if it wasn't me
Who's your baby, tell me who
You been cheetin' you been sleepin' with everyone, but
me
Good times bad times, I know i've had my share
Of running around and going nowhere
But what's a girl supposed to do
When she's savin' all her heart for a boy like you
Don't know who it would be if it wasn't me
Who's your baby, tell me who
Open arms and a painted maybe
Won't you stop playing around with my heart
(strings/trumpet)
What's a girl supposed to do
When she's savin' all her heart for a boy like you
Don't know who it would be if it wasn't me
Who's your baby, tell me who.....
