hi, this is doctor cc,
at the sound of the tone,
leave me your name,
and your telephone number,
and ill call you back.

im doctor cc,
get your medicine from me. (x4)

i dont work in the daytime,
i do all of my doctoring at night.
and i dont have an office,
but my van deserves all right.
i cant afford to get caught,
so i dont take house calls.
i like to meet on a lonely street,
where there's hardly any traffic at all, yeah.

im doctor cc,
get your medicine from me. (x4)

i specialize in lovology,
and i'd be happy to take your case.
but you can't afford to fall in love,

cause that's strictly out of place.
i can make you hotter than the fourth of july,
and i work with a slow hand.
when you need your prescription filled,
you can come back and see me again, yeah.

im doctor cc,
get your medicine from me. (x2)

then you'll say,
mmm, i love it (i love it)
sing it again,
mmm, i love it (i love it)
then you'll say,
mmm, i love it (i love it)
one more time,
mmm, i love it (i love it)

mm (i love it, i love it)
uuh (i love it)

im doctor cc,
get your medicine from me. (x8)
