charm is in the air,
it's time to prepare.
I drift from here to there,
I'm here, but are you there?

I rip in to you like no other
uncomfortable silence makes you unnerved
I think about the yesterdays, and wish it were tomorrow
But how does it feel, why does it feel, and how does it
feel with me?

The stars must be dancing 'cause your so amazing
The stars must be dancing 'cause your so amazing

Your love is my desire
through the filth lies a fire
How do you trust, how do you trust a liar?
I rip in to you like no other
uncomfortable silence makes you unnerved
I think about the yesterdays, and wish it were tomorrow
But how does it feel, why does it feel, when how does it
feel with me?

The stars must be dancing 'cause your so amazing
The stars must be dancing 'cause your so amazing
The stars must be dancing 'cause your so amazing
The stars must be dancing 'cause your so amazing

Lay down, lay down
Lay down, lay down with me
Lay down, lay down, lay down lay down with me
Lay down, lay down, lay down lay down with me
But you just can't help yourself,
so don't go

Maybe, maybe, maybe, maybe, maybe, maybe, maybe, maybe,
maybe, maybe

Shoot me I'm deadly so easy to say
Shoot me I'm deadly so easy
Shoot me I'm deadly so easy to say

Shoot me I'm deadly so easy to say

The stars must be dancing 'cause your so amazing

The stars must be dancing 'cause your so amazing

Amazing
