I changed the words as I sang along
Got a laugh, so I did it again
Gave me a great idea

I changed 'breathe' into 'bread'
That I shaved my back was one of the best

But I was just gettin' started

Pretty soon they were sewin' me
Ended up gettin' all of the royalties
Remember one of those parodies
Wow-ow-ow-ow-ow-ow

Like "Great Day To Be A Guy"
You may not like parodies
But they're funny as hell to me
All the way back to "If Shania Was Mine"
