MINISTER

I'd like to welcome everybody again and say how good  
it is to see you out  
At the annual Holy Roller Hall Christmas fund raiser.  
And up next we have a  
Fellow who we've all come to know in love. Bless him as  
he comes up and  
Sings. Lord. A lovely holiday carol:

Cledus T. Judd featuring Out Of Sync

Take it away Cledus

CTJ

Hehe

Uh. Thank y'all so much for uh coming out. I appreciate  
it. I uh pardon me  
If I seem a little nervous. At least I'm here for a good  
cause

:CONGREGATION

:Amen brother

:CTJ

:I appreciate it

So if you would bear with me while I try to sing one for  
you. Glad you could  
All come tonight. Appreciate you so much and it comes  
from the heart and  
That's all that matters

MINISTER

That's all that matters. Amen. Amen

CTJ

Sta...

Sta...

Here...  
There it is...

Star of wonder star so bright  
This one wish I wish tonight  
If I'm to live till morning's light  
Please don't serve beans on Christmas night

Cook up a steak or toss some greens  
But don't bake those powerful beans  
Cause if I take one single bite  
We won't have a silent night

And my poor dog will howl and bay  
And pray that foul bouquet  
Will go away  
Though he will know from whence it came  
I hope it's him my guests will blame

So don't serve beans  
Please don't serve beans

Cook up a steak or toss some greens  
If I'm to live till morning's light  
Please don't serve beans on Christmas night

CTJ  
Uh thank you.  
Thank you so much  
I appreciate it  
Thank you  
Mmm huh thank you.
