Parody of Any Man Of Mine by Shania Twain (S. Twain/R. Lange) Loon Echo Music (BMI)/Zomba Enterprises (ASCAP)

New lyrics by Cledus T. Judd and Cris Clark, La-Po Music (BMI)/Chris Clark Publishing Designee.

This is what Cledus T. wants...

If Shania was mine  
Wouldn't be proud of me  
Couldn't hardly blame her  
Cuz I'm so derved ugly  
But on our first date  
We could have a good time  
If I got her on the moonshine

If Shania was mine  
Say it fit just right  
Though my polyester suit was just a little too tight  
And there's no way  
I'd have a bad hair day  
Cuz I'd buy a new toupee'

Oh, I'd love to seduce her  
But she married her producer  
Now all I do is pray, pray, pray!  
She'll get a deevorce someday

If Shania was mine  
I'd probably lose my mind  
If she only squeezed me, teased me  
Pleased me one good time  
And if she only knew  
All the things I'd do  
I'd be the lawn mowin, crop growin  
Tater peelin, house cleanin kind  
If Shania was mine

Ha huh

If Shania was mine  
She'd have to agree

Can't no one cook road kill better than me

Add a dozen mountain oysters and some old fatback  
She'd say "Mmm, I like it like that" cha...  
Now all I do is wonder  
Whose bed have her boots been under  
I wish she'd hadda been mine  
Now I whine, whine!  
That girl is so doggone fine

If Shania was mine  
I think I'd go slap blind  
Starin' at her yummy little tummy  
And her booty shakin' round behind  
And if she only knew  
All the things I'd do  
I'd be the lawn mowin' crop growin'  
Tater peelin' house cleanin' kind  
If Shania, if Shania, if Shania,  
If Shania, if Shania (ACK HACK)

Now was that Mutt Lange or Deewight Yokel

When she shimmies and shakes  
It's more than I can take  
Oh, what she does to me in them videos  
Wife's gonna leave me if I don't explain  
What I see in Shania Twain  
I'd love to see her in a magazine  
Centerfold if you know what I mean  
Oh me-a oh my-a  
I wish that Shania  
Would buy me a house in South Carolina  
Two, four, six, eight, nine  
Oh I wish that Shania was mine!  
he he he huh huh  
Want to be a gal of mine...
