I was down in mexico puttin' on a little show but noone
was laughin' at the jokes I told no
I guess my perides but trasnlate
then my tummy started rumbling from the tacos I ate
I had to think fast
I toke a chance
I moved the microphone around the back of my pants
would they all laugh

I didn't know
I bent down and let it go
(farts)

(in backgroud) ole cledus!
(backup singers)

Its the same around the world
(backup singers)

Even out in budapest
(backup signers)
(farts) is funny
then there was a time I went over to china
I saw the great wall an' I had a great timea
seperated from my tour group a found a litte place an'
got some wan-tan soup
I sat with a man named Mr. Mariyachi
he talked to much and ate beef tariyachi
in all of his chatter I thought it wouldn't matter I almost
made my own po-po platter
(farts)
(with chinese accent)wo wo wo you a funny guy
cleduson

(backup)
Its the same around the world
(backup)
even on Mt. Everest
(backup)
(farts) is funny

(backup)

it was a perfect hour at the effel tower
I gave my french giflfreind a bunch of flowers
she leaned over to kiss me
I asked her if she loved me and I said wee-wee(wee-
wee)
we found a little cafe on the sidewalk
so we could have dinner and a nice talk
I thought I ruined the mood with all that french food
maybe let a little bit of pepelapew
(farts)

The united nations needs its infromation an' maybe
there wont be any misinterpution
they wont be able to talk aout war
they when they hear a (farts) theyll be rollin' on the
floor

(backup)
its the same around the world
(backup)
let one rip its the best
(backup)
(long fart) wew is funny
weww
you know whats funny you laughing right now
I CAN SAY PULL MY FINGER IN 14 DIFFERENT
LANGUAGES
and everybody laughs every single time
the kids laugh
you laugh
your brother laughs
everybody laughs
its the universal languauge
