Parody of "Let's Make Love" by Tim McGraw and Faith Hill (Chris Lindsey/Marv Green/Bill Luther/Aimee Mayer)  
New lyrics by Cledus T. Judd/Chris "P. Cream" Clark

Buddy I'm sick of shootin at clay  
(PULL)  
Dreaming of opening day  
How bout you

Yeah me too

The only thing I want to do  
Is hunt with you  
Kill a bird or two  
Go get your gun

Let's shoot dove  
All day long  
Until all our shells are gone  
Shoot five times  
Then reload  
Run like heck if the game warden shows  
Yeah when the sun comes up  
Let's shoot dove

You know Faith gets mad at me  
When she thinks I'd rather be  
In a field with you  
Sipping brews

Shootin anything that moves

I think my sight's alittle off to the right

You can't hit nothing

Let's shoot dove  
All day long  
Until our eardums are blown  
By tonight  
One things for sure  
Boy our shoulders will be sore

I just can't get enough  
Let's shoot dove

(slight artillery practice)

Let's shoot dove  
All day long  
Until all our shells are gone  
Point your gun  
Towards the sky  
I want to see them feathers fly  
And when the sun comes up

I can't get enough

Let's shoot dove

Hey d'jou get one

Nah d'jou

I think I winged one
