Uh...I met Shania Twain and I met ol Tim McGraw  
Billy Ray Cyrus and little David Ball  
A little bit of luck and my life will be complete  
There's a little bitty blonde that I'd really want to meet

I sure like Mindy McCready  
Start pumpin iron and a-eatin my Wheaties  
Got to get in shape  
If I want to get a date  
But first I gotta lose a little bit of weight

MINDY

My little bitty sweetie in her little nighty gown  
A litty bitty kiss and I'd probably come unwound  
I love to watch her dance and I like to watch her sing  
Want a little better look at her belly button ring

I sure like Mindy McCready  
Take a little ride down to Panama City  
Just the two of us on her little bitty bus  
With a whole lot of love and whole lot of lust

MC CREADY

I work a little job for a crummy little check  
Heck I'd trade it all for a hug around the neck  
Paid a lot of hope for my little bitty scheme  
Cause I could never fit in her litte bitty jeans

I'm a good old boy she's a pretty little girl  
Wish I had a chance to rock her little bitty world  
I'm a little bit insane cause I love her somethin fierce  
Gonna go and get my big old belly button pierced

UGH

I'd sure like to meet Mindy McCready  
Give me half a chance and buddy yes indeed-y  
Guys do it all the time I'd better get in line  
Better go and buy her some of Deana Carter's wine

I sure love Mindy McCready  
Start pumpin iron and a-eatin my Wheaties  
Got to get in shape  
If I want to get a date  
But first I gotta lose a little bit of weight

I'd sure like to meet Mindy McCready  
Give me half a chance and buddy yes indeed-y  
Guys do it all the time I'd better get in line  
Better go and buy her some of Deana Carter's wine

Hey Mindy I got your (Kryptonite???)
