Mac Anally  
Beginner Music (ASCAP)

Rumors emanating  
From the North to all the Poles  
Outsiders speculating  
Who's designing Santa's clothes  
He's the newest face in Christmas  
And soon the world will know  
That Rudolph's nose  
Is not the only reindeer appendage that glows...

CHORUS  
Stephon the alternative lifestyle reindeer  
Heaven help Santa should he call him queer

He's standing tall  
Against the wall  
Of prejudice and fear  
He's Stephon the alternative lifestyle reindeer

Well he came out of the forest  
And that's why he's on the news  
And ever since that legislation's changed  
Now they can't make poor Stephon  
Join in all those stupid stupid reindeer games

CHORUS  
Prancer up in front of him  
He's got Blitzen to the rear  
He's Stephon the alternative lifestyle reindeer

He's embarrassed by his antlers  
He retains progesterone  
And in his mind he looks like Doris Day  
And if the health plan springs for surgery  
Some day  
You know he really may

CHORUS

He's standing tall  
Against the wall  
Of prejudice and fear  
He's Stephon the alternative lifestyle reindeer

Affirmative reaction  
The world is on it's ear  
Hey that speech that Jesse Jackson made  
Brought Rush Limbaugh to tears  
And he'll go down in history  
For months or even years  
He's Stephon  
(Stephon)  
The alternative lifestyle reindeer.
