Parody of Toby Keith's "Who's Your Daddy".  
Enjoy

Go to sleep little baby  
Before the boogie man gets you  
When you'll awake,  
We'll pat a little cake  
And ride the pretty little pony...

(spoken)  
Shhh...uhuhuh...  
It's OK  
Ahhh...You so cute...you little wookie wookie wookie  
wookie  
Was it my singin???  
You look so much like your daddy  
Ha ha  
Who's your daddy?  
No I'm just kiddin'  
I love you so very much  
You want..  
Uh come here to me...  
OOOH...  
(sniffs)  
Shooo...I think it's time for you to change your little bitty  
diaper  
That little boogie boogie boogie boogie  
I love you so much...but I wish you would just quit  
crying.

Well I'm sittin here rockin our cute little baby  
Tell me why you just won't stop cryin'  
My little souvenir from Dollywood last Valentine's

Yeah I burped you twice sounded good

Did everything a father should  
Read Barney and nursery rhymes  
I guess your momma needs a girls night out every  
once in a while

I put on a brand new diaper baby  
Huh huh don't you wet it  
Everything was going just fine  
Till's you threw up on me when I fed ya

Where's your mommy

I'm going crazy  
Call up a buddy  
I need a friend  
Cause I'm a new dad  
Who don't know what to do  
When a tummy starts to rumblin  
Your diaper's droopin'  
You won't stop poopin'  
Now I have stood all I can stand  
Where's your mommy little baby  
You've got a dummy for a dad...

(spoken)

Shhh come on what's wrong with you  
Your tummy tummy tummy hurt you  
Little pookie pookie pookie pookie  
Quit cryin' please...

Well...you're still up past your bedtime baby  
Huh huh...ain't cha...Now I've about had it  
I never knew what your momma went through  
But I do now and I know  
UH  
I'm no good at it

Where's your mommy  
I'm going crazy  
How'd you get muddy?  
Where have you been?  
It's that dang doggie door  
That you keep crawlin through  
I'll have to nail that thing shut again  
You sure are screamin'  
You must be teethin  
I warmed your bottle  
I burned my hand  
Where's your mommy little baby  
You've got a dummy for a dad...

Here comes your mommy little baby  
And your daddy sure is glad...
