Oh Gosh, Here We Go Again  
A Fella can't get no rest around this joint  
Well, she got up this mornin' at 6 a.m.  
She was as grumpy as can be  
Not a snowballs chance of sleepin' late  
'Cuz she started vacuuming  
Said: "Get your lazy butt up Cledus  
You gotta take me to the mall  
Don't forget to bring them credit cards  
'Cuz I'm a'gonna use 'em all"  
Wives do it all the time  
We can't meet all their demands  
A bunch of female General Schwarzkopfs  
A'barkin' off their commands  
They spend all our money it's a mystery  
How us menfolk can survive  
Oh why do we can't tell if they break a nail  
Wives do it all the time  
Oh, her makeup's scattered all over the place  
& the bathrooms a cloud of dust  
Didn't leave no gas in my pick up  
& she hates the way I get my hair cut  
You know you sure are a cold one baby  
You get green with jealousy  
When I steal your Victoria Sacret  
Or what Mindy on CMT  
Wives do it all the time  
We can't meet all their demands  
You know they loose all their sweetness  
When we give 'em that weddin' band  
They spend all our money it's a mystery  
How us menfolk can survive  
Well they never fail to find a sale  
Wives do it all the time  
Well she might just get frisky tonight  
So I won't get nowhere near her  
& if she says: "Cledy, come on to bed"  
I'll pretend I don't hear her  
OOOOOO  
They spend all our money it's a mystery  
How us menfolk can survive  
Beats all I ever saw they'll bankrupt us all

Wives do it all the time  
Yeah wives do it  
All the time, all the time  
Wives do it  
All the time, all the time  
Wives do it  
All the time, all the time  
Wives do it  
Mine does it all the time
