I nearly disappeared into the mouth of a crocodile

I nearly touched the rain deep in the heaven on high

I could have been a sad piece of news on the radio

But you remembered me 'cause you know I'm not
ready to go

Oh halala, I'm home, looks like I made it, Oh halalo

Oh halala, oh halala, ngasinda, Oh halalo

Chorus

I'm too early for the sky

Wenkunkulu wami wangisindisa mina

(Oh my Lord, you spared me)

Somewhere some grey computer nearly closed my file

This could have been the last time I ever saw you smile

The darkest night nearly swallowed up my eyes

But you remembered me 'cause I'm not ready for the
sky

Oh halala, I'm home, looks like I made it, Oh halalo

Oh halala, oh halala, ngasinda, Oh halalo

Chorus
