Love is only for the lovely  
And such a glamorous thing to waste  
Wait, I have to fix my makeup  
Wait

'Cause no one likes to see a pretty  
Face, all sad and twisted up  
'Cause the beautiful were never meant to suffer  
And I'm so beautiful

A peacock died to color my lips  
So I dyed my hair in all their sweat  
But now I'm haunted by these visions of me

And I don't wanna live forever  
When the sky is full of little holes  
Exploding as they take my picture  
Let's explode

And I don't wanna know me better  
I don't wanna know me better  
I don't wanna know me better  
I don't wanna know me better
