Verse 1:

I should've known, that I'm nothing on my own
Still I'm prone, to learn things, the hard way
But if I've shown, a recent change in tone
It's cause I'm starting to see, there's no way I can do
this alone

Chorus:

The whole world's getting heavy to hold
So I'm letting go
Such a rough universe getting old
So I'm giving up control
It's clear to me who You want me to be
And now I know, I'm ready to see myself go
So You can take control

Verse 2:

Take control, come captivate my soul
I wanna know, what life is lived like Your way
I'm letting go, You're who I want to follow
Cause I'm starting to see, You're the only hope I have
for tomorrow

Chorus:

The whole world's getting heavy to hold
So I'm letting go
Such a rough universe getting old
So I'm giving up control
It's clear to me who You want me to be
And now I know, I'm ready to see myself go
So You can take control

Bridge 1:

All along I've been, looking at this wall
You're showing me now I can see that I am weak but
You are strong
Yeah when I'm weak You are strong
And I need Your strength so I can carry on

Chorus:

This world's getting heavy to hold
So I'm letting go

Such a rough universe getting old
So I'm giving up control
And now I know, I'm ready to see myself go
Because I know...

Bridge 2:

I can't hold on, I'm not that strong
I've tried it now, for much too long
I think it's time, to give up so...
I'm letting go, You take control
