She Could Be
Benefit Of A Doubt

I, I dont know what's happened
I dont know what's happened
But i seem to be chasin', a stranger
She, she was walkin' infront of me
And i find myself questioning,
How could she be a stranger.. forever
And am i just searchin' for anyone..
Anyone through thought,
But could she be..

She could be my someone,
That ive been, waiting for..
She could be another dissappointment,
On my long road of disappointments
I guess ill never know (guess ill never know)
Guess i should let this go..

HEY GOD,
Why did you show her to me without the strange,
Without the strangest thing, something
Cause right now,
I cant think of anything
and, I'll TRY
To say something great
Cause right now the words keep getting my way..
Why am i so afraid?
Am i just searchin' for anyone..
Anyone through thought,
But she could be..

She could be my someone,
That i've been, waiting for..
She could be another dissappointment,
On my long road of disappointments
I guess i'll never know (guess ill never know)
Guess i should let this go..

Hey God (Hey God)
Gimme the strength to see (gimme the strength to see)

Anything..

HEY GOD (Hey God)
Why did you show her to me ?
HEY GOD (Hey God)
Give me the strength to say,
Anything..

She could be my someone,
That ive been, waiting for..
She could be another dissappointment,
On my long road of disappointments
I guess i'll never know (guess ill never know)
Guess i should let this go..
ooooohhhh

Hey God (Hey God)
Why did you show her to me ?
HEY GOD (Hey God)
Give me the strength to say..
Theres plenty there,
Say nothing at all..
