(Doo-doo-doo-doo-doo-dooooo)

Baby, I feel like the summer's gone away(gone out of my life now)  
The winter wants to stay.  
My heart was on fire, now it's cooling fast(so fast),  
I'm starting to wonder if our loving's gonna last, baby.  
Time won't wait for you to make up your mind(make up your mind)  
Do you want me to love you more than I do, oh baby.

(You don't feel how I feel)  
When I need a touch of you.  
(I feel love is real)  
Though you make me so confused  
(So tell me it's real)  
When I need a touch of love, ho,(ooh)  
When I need a touch of (when I need a touch of love).  
When I need a touch of love (when I need a touch of love).  
When I need a touch of.....

Darling, you know I'm feeling sad(i'm feeling sad).  
You know that I'm down and I'm feeling bad (hey-ee-heyee-yeah-heh).  
But you seem to act as though you don't know what's going on.  
You ask me about the others, instead of what is wrong.  
And, let me tell you.  
One was too confused, another was too shy,(another was too shy)  
But you made a change, a big change in my life, oh baby

(You don't feel how I feel)  
When I need a touch of you.  
(I feel love is real)  
Though you make me so confused  
(So tell me it's real)  
When I need a touch of love, ho,(ooh)  
When I need a touch of...(when I need a touch of love).  
When I need a touch of love (when I need a touch of

love).

When I need a touch of love.....

No you don't feel no you don't feel how i feel

Time won't wait for you to make up your mind (make up your mind)

Do u want me to love you more than i do
