Ooo-ooo-oooo, yeah  
We can  
Get it Right Back  
Come on, ooo-ooo-oooo, yeah  
Do you remember that day  
(That sunny day)  
When you first came my way  
I said no one could take your (place)  
If you get hurt  
(If you get hurt)  
By the things I say  
I'll put that smile back on your (face)  
(And it's alright)  
(And it's comin' on)  
(We gotta get it right back to where we started from)  
(Love is good)  
(Love can be strong)  
(We've gotta get right back to where we started from)  
Yeah, come baby, oh  
Yea-ee-yeah  
A love like ours  
Will never fade away  
You know it's only just begun, yeah baby  
You gave me your love  
I just can't stay away, no  
(And it's alright)  
(And it's coming on)  
(We gotta get it right back to where we started from)  
(Love is good)  
(Love can be strong)  
(We gotta get it right back to where we started from)  
(Musical introlude)  
(Chorus x2)
