Na-oh, oh  
(I'll never let you go)  
Ooh, oh, hey, yeah

Baby, baby, don't you know  
I'll never let you go  
No, no, no, no, I  
[The more I think about it, you got it]  
Baby, baby, can't you see-e  
Just what you do to me  
Me, me, me, me, yeah?br>[There's no doubt about it,  
you got it]

Baby, when you're by my side  
Boy, you keep me satisfied  
Everyday and every night  
Seven days, 365  
Even now I can't believe  
We're together, you and me  
Everything I've been dreaming of  
Everything I'd ever want?br>  
Baby, baby, don't you know  
I'll never let you (oh) go  
No, no, no, no, I  
[The more I think about it, you got it]  
Baby, baby, can't you see-e (can't you see, oh?)  
Just what you do to me  
Me, me, me, me, yeah?br>[There's no doubt about it,  
you got it]

Ohå[]h?  
YeahåŽfeah

I'm so happy that I've found you  
I can be myself around you  
And I trust you like a friend  
Say it time and time again  
It's the way you make me feel  
It's the way I wanna live  
Everything I've been dreaming of  
Everything I'd ever wantå[]h?

Baby, baby, don't you know  
I'll never let you go (yeah)  
No, no, no, no, I (no, oh) yeah

It's me and only me (ooh)  
You will love and trust in me (ooh)  
Your lovin' makes me feel so free (oh, oh)  
You mean so much to me, baby yeah, yeah, oh (oh)
