Nobody said it was gonna be easy [nobody said]
Nobody said it would be alright [nobody said]
Nobody said you were gonna make it
[Nobody said you were gonna make it]
We can't all be wrong, can't all be right
[We can't all be wrong, can't all be right]
Move on what's past is past
What's done is done
Move on
Boy, you mustn't feel confused
Don't be afraid to cry
Let go of what's hurting you
Release the pain and live your life
You can hide away or you can leave
But from that what would you get
The future won't remember
The past will not forget
Nobody said it was gonna be easy [nobody said]
(nobody said)
Nobody said it would be alright (nobody said) [nobody
said]
Nobody said you were gonna make it (nobody said)
[Nobody said you were gonna make it]
Oh, can't all be wrong, we can't all be right
[Can't all be wrong, we can't all be right]
Move on what's past is past
What's done is done
Move on(move on)
Oh
Nobody said (oh) but then nobody can deny
We've got the strength inside us (we have)
We can work this out if we combine (combine)
Nobody said (nobody said) but then nobody can deny
We've got the strength inside us
We can work this out if we combine
Nobody said (nobody said) it was gonna be easy
[Nobody said] (but then nobody can deny)
(We've got the strength inside us)
Nobody said it would be alright [nobody said]
(We can work this out if we combine)
Nobody said (nobody said) you were gonna make it
(But then nobody can deny)

[Nobody said you were gonna make it]
We can't all be wrong, can't all be right
(We've got the strength inside
