Na na na na na na, late at night
Na na na na na na, late at night

I have counted everyday since you've been away
It seemed like a thousand years

And at na na na na na na, late at night
Na na na na na na, late at night
I'll sit and count the tears

I have counted all your lies, all your alibis
I'm a guy believes just what he hears

And at na na na na na na, late at night
Na na na na na na, late at night
I'll sit and count the tears

She's gone and found somebody new
He may be happy now but soon

He'll be counting everyday that she's been away
It'll seem like a thousand years

And at na na na na na na, late at night
Na na na na na na, late at night
He'll sit and count his tears

He'll sit and count his tears
He'll sit and count his tears
He'll sit
