Your love, your love - supernatural thing  
Your love, your love - supernatural thing, oh babe  
Your love - supernatural thing, oh babe  
Your love, your love - supernatural, mmh babe

When we touch, give me such a funny feeling in my  
brain  
I'm so possessed by your love, sometimes I don't even  
know my name  
When we kiss, you know you make me hot  
I break out sometimes in little bitty green spots  
You give me, give me all you got  
Don't stop it, baby, 'cause I need a lot

Your love - love's a supernatural thing, oh woman  
Your love, your love - supernatural thing, mmh

Say, interplanetary, extraordinary love  
Interplanetary - what you say - extraordinary  
Hey - supernatural - I like it - supernatural  
Listen, interplanetary, oh, extraordinary love  
Interplanetary - I like it - extraordinary  
Now when you love me - supernatural - oh baby -  
supernatural

You give me cosmic feeling, every time that I squeeze  
you  
Your love's so electrifying, so satisfying, Lord knows I  
ain't lyin'

Your love - supernatural thing, oh woman  
Your love - Lord, it's a supernatural thing, what you say

Say, interplanetary, extraordinary love  
Interplanetary - what you say - extraordinary  
Hey - supernatural - I like it - supernatural  
Listen, interplanetary, oh, extraordinary love  
Interplanetary - I like it - extraordinary  
Now when you love me - supernatural - oh babe -  
supernatural

Listen, interplanetary, oh extraordinary, ooh  
Interplanetary - I like it - extraordinary  
Surely I like it - supernatural - baby - supernatural  
One more time, doo doo doo ....
