She calls me baby
then she wont call me
says she adores me
and then ignores me
(Jenny, What's the problem?)

She keeps her distance
and sits on fences
puts up resistance
and builds defenses
(Jenny, Whats the problem?)

You keep me hanging on the line
everytime you change your mind

First you say you wont
then you say you will
you keep me hanging on
but we're not moving on
we're standing still
Jenny, you've got me on my knees
Jenny, It's killing me

She needs her own space
she's playing mind games
ends up at my place
saying that she's changed
(Jenny, what's the problem?)

I'm trying to read between the lines
you got me going out of my mind

First you say you wont
then you say you will
you keep me hanging on
but we're not moving on
we're standing still
Jenny, you've got me on my knees
Jenny, It's killing me

(ohh ohh ooohhhh)
It's killing me

(ohh ohh ooohhhh)
It's killing me
(ohh ohh ooohhhh)
Jenny

First you say you wont
then you say you will
you keep me hanging on
but we're not moving on
we're standing still
Jenny, you've got me on my knees
Jenny, It's killing me

First you say you wont
then you say you will
you keep me hanging on
but we're not moving on
we're standing still
Jenny, you've got me on my knees
Jenny, It's killing me

It's killing me
