It doesn't matter what the people say
I'm gonna live like the main character of a movie
I'm gonna live as whatever my heart feels like
Even if they say bad things about me, I don't care!
Everyone is the same
They eat, sleep and wake up
It's just the same ole life that is repeated over and over...
I'm a cowboy who ignores the frustrating lifestyle
Oh! yeah~ The winds and the clouds follow my name
From inside of a volcano, just like the fireworks
I'm a cowboy~
Oh! yeah~ My eyes are absent minded
You can't stop me even if everyone thinks I'm crazy
I wont care, no matter who says what.
*I said cowboy!
Oh~ I'm going to live just like a movie
I'm going to be an outlaw
I'm going to change like that.
I said cowboy!
Oh~ If I say that I'm doing it my way
I'm going to be a unlaless cowboy that no one can

stop

Oh! yeah~ Sometimes when someone asks me a
strange question

I'll answer with confidence

"Me? I'm a cowboy."

Oh! yeah~ Whoever tuts at me,

I'm gonna tell them to pay attention.

Even if people think I am crazy

I won't care, no matter who says what.

Repeat *

[Rap]

Everyone is trying to stop me

But from the same people living the same lives,

I'm going to watch over myself being different

The regular lifestyles are too plain

I'm now a cowboy. don't I look like one?

In my hands there is freedom

I'm not going to live as one tells me to

I'm going to be a confident cowboy come on!

I said cowboy!

Don't try to block my way

Cowboy!

Look at what I'm going to do.

Cowboy!

Don't trust me now

I said cowboy!

I said cowboy!

Don't try to block my way

Cowboy!

Look at what I'm going to do.

Cowboy!

Don't trust me now

Cowboy cowboy
