be still in dreams...
i live to breathe...
and all i am...
falls easily...

restore me now...
i feel somehow...
beside myself...
indigo brow...

indigo brow...
indigo brow...

restore me now...
i feel somehow...
beside myself...
indigo brow...

i don't know why.
i don't know why.
i don't know why.
i don't know why.

hojr dagsins ljá
fylla mátt blá
tátt hjarta slá
so djápt á má

indigo brow...
indigo brow...
