Visit "[Can You Feel?](#)" on MotoLyrics.com

I believe in the power
I believe in soul
I believe in the power
Of rock 'n roll
I believe in the magic
I believe in you
I believe in us
I believe our truth

Can you feel inside?
Can you feel inside?
But I feel inside [I'm falling]
Can you feel inside? [I'm falling]
In love with you

I believe in the power
I believe in soul
The power
That makes me whole
I believe in moment
I believe we choose
I believe in love
I believe it's you

Can you feel inside?
Can you feel inside? [I'm falling]
In love with you

World keeps spinning around
Keeps spinning around [This is what you wanted]
World keeps spinning around
Keeps spinning around [(Crush) it if you want it]

Can you feel inside?
Can you feel inside? [I'm falling]
In love with you

Spinning on the record
(When) you're gonna (purchase)
Dancing on a ticking bomb

Fucked-up music sounds so fresh

We found love at the discotheque

We'll keep spinning around
Keep spinning around
