What's the price of love got to do with love?
What's the price of love got to do with much?
All I know is what I'm told

What's the price of love got to do with love?
What's the price of love got to do with much?
All I know is what I'm sold

Did you ever think to feel
Love and pain can be this real?
You and I both know
It's a dangerous game with a dangerous name

Sometimes we are not alone
Realize the things we've done
You and I both know
We've been hurt before but we'll pay the price once

All I know, all I know, I won't sell my soul

I won't sell my soul
