It's been so long you say you've had fun
And you've been happy with the things you've done
Now you feel strange and a little unreal
Well, I can understand the way you feel

You're just a little in love
Just a little
You're just a little in love
Just a little

Well, I can see what's happenin' to you
You feel alone but it's just not true
And there's one thing you oughta know
I need you so

I'm just a little in love
Just a little
I'm just a little in love
Just a little

You say you're willing to learn
You need a friend a friend who will help you
'Cos you're just a little in love, oh yeah
A little in love, you are a little in love

With someone
You're just like me
Like me you're in love
Oh yeah, a little in love

You know sometime you look somewhere
You're not alone but there's no one there
No one to turn to, no one to see
The way you're feelin' you're just like me

You're just a little in love
Just a little
You're just a little in love
Just a little

Now you say you're willing to learn
And you need a friend a friend who will help you

'Cos you're just a little in love, oh yeah
A little in love, you are a little in love

With someone
You're just like me
Like me you're in love
Oh yeah, a little in love

You're in love, oh yeah
A little in love
You are, a little in love
With someone you're just like me
Like me you're in love

Oh yeah, a little in love
You're a little in love
With someone you're just like me

You're in love
You're in love
You're in love

A little in love
With someone you're just like me
Like me you're in love

A little in love
You are, a little in love
With someone you're just like me

You're in love
You're in love
