All my love came to nothing at all, my love
When I woke up to find, you were no longer mine
All my love, thrown away after all this time
Now there's no place for me in the future you see

I don't understand you
I've done all I can do
Tell me how could I give you more
More than all my love

All my love came to nothing at all, my love
When I woke up to find, you were no longer mine
All my love, thrown away after all this time
Now there's no place for me in the future you see

I don't understand you
I've done all I can do
Tell me how could I give you more
More than all my love

All my love came to nothing at all, my love
When I woke up to find, you were no longer mine
All my love, thrown away after all this time
Now there's no place for me in the future you see

All my love came to nothing at all, my love
When I woke up to find, you were no longer mine
