I'm lying alone with my head on the phone
Thinking of you till it hurts
I know you hurt too but what else can we do
Tormented and torn apart
I wish I could carry your smile and my heart
For times when my life seems so low
It would make me believe what tomorrow could bring
When today doesn't really know.

I'm all out of love, I'm so lost without you
I know you were right believing for so long
I'm all out of love, what am I without you
I can't be too late to say that I was so wrong

I want you to come back and carry me home
Away from this long lonely nights
I'm reaching for you, are you feeling it, too
Does the feeling seem, oh, so right
And what would you say if I called on you now
And said that I just can't hold on
There's no easy way, it gets harder each day
Please, love me or I'll be gone

'Cause I'm all out of love, I'm so lost without you
And though you were right believing for so long
I'm all out of love, what am I without you
I can't be too late to say that I was so wrong, so wrong

Oh, what are you thinking of?
I'm thinking about you're gone
What are you thinking of?
How do we go so wrong?

Ooh, I'm all out of love, I'm so lost without you
I know you were right believing for so long
I'm all out of love, what am I without you
It can't be too late to say that I was so wrong

Oh, here I'm all out of love,
Nothing without you
And I know it was so wrong, so wrong, so wrong.
