(Catch me) I'm fallin' for you x 3

What was in that kiss you gave me?
Never felt like this, please save me.
Catch me in your arms I'm fallin' for you little girl.

Someone fooled around and let me
Always in her heart you set me,
Catch me in your arms I'm fallin' for you little girl.

I never thought I'd tumble
Head over heels on my face.
But here I go tumbling all over the place.

Make my tipsy heart go crazy,
Kiss me once again, what's a daisy,
Catch me in your arms
I'm fallin'for you little girl.

I never thought I'd tumble..... (repeat)

Catch me, I'm fallin' for you
